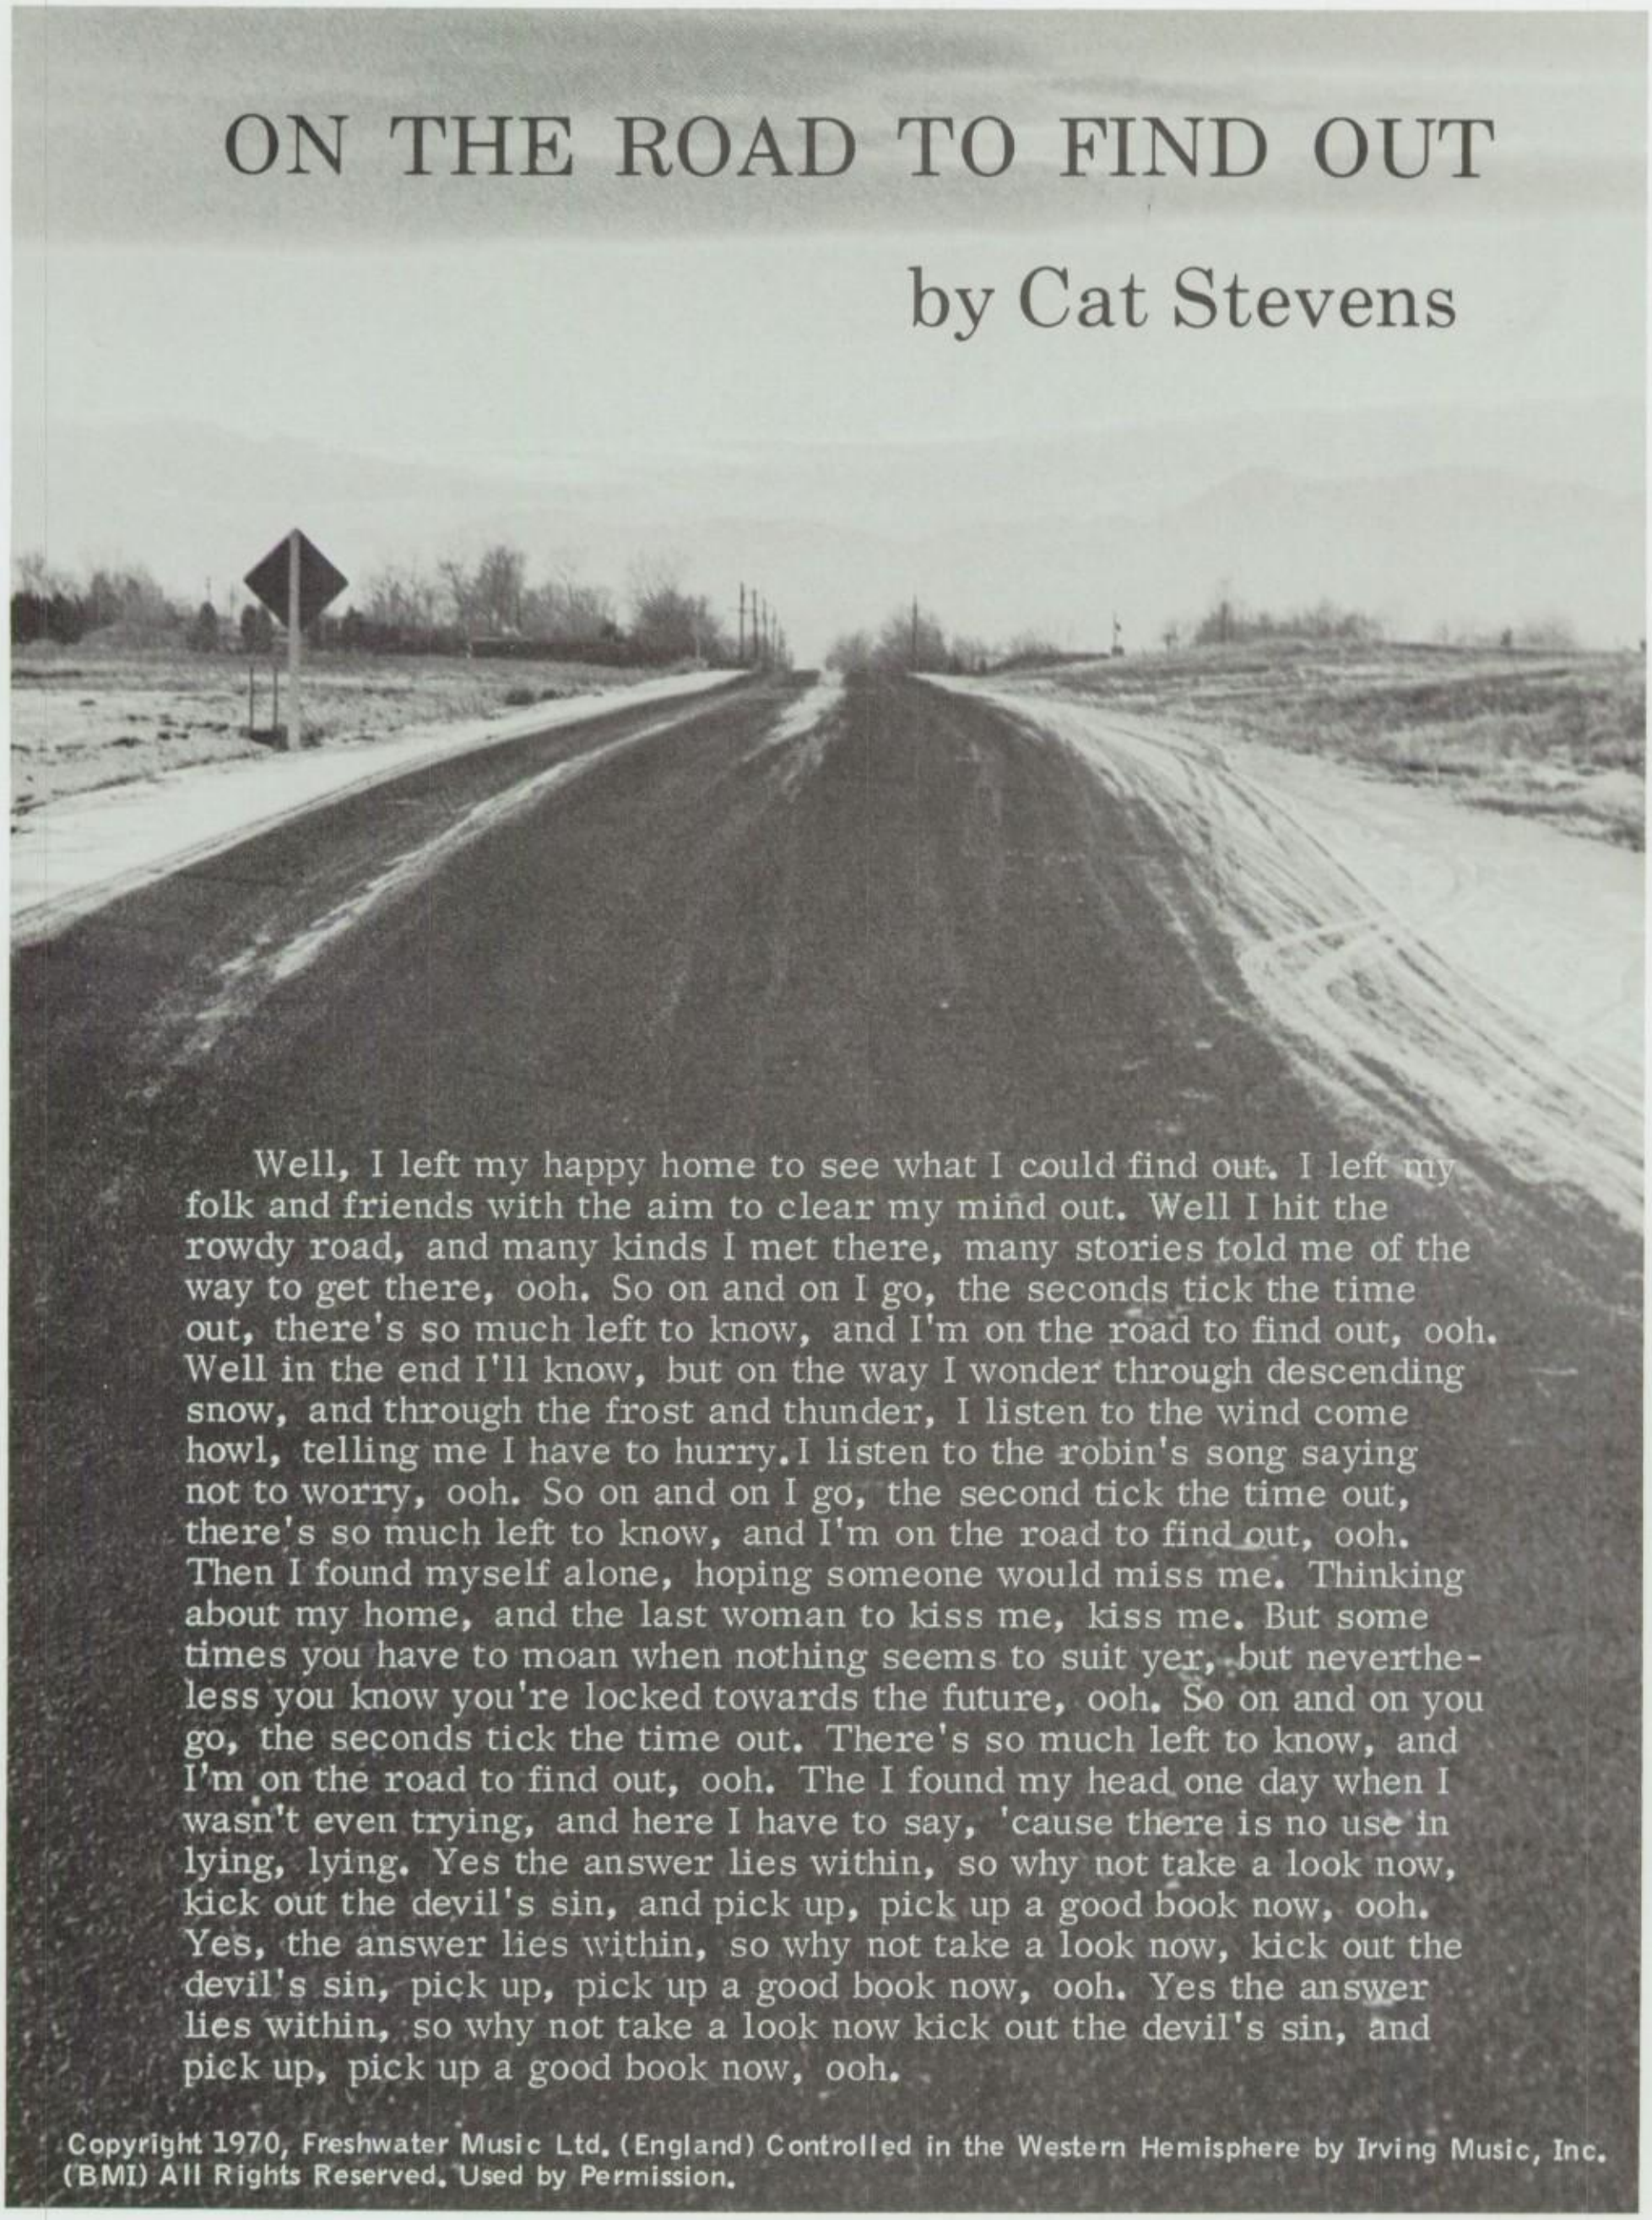
CLASS SONG:



ON THE ROAD TO FIND OUT

by Cat Stevens

Well, I left my happy home to see what I could find out. I left my folk and friends with the aim to clear my mind out. Well I hit the rowdy road, and many kinds I met there, many stories told me of the way to get there, ooh. So on and on I go, the seconds tick the time out, there's so much left to know, and I'm on the road to find out, ooh. Well in the end I'll know, but on the way I wonder through descending snow, and through the frost and thunder, I listen to the wind come howl, telling me I have to hurry. I listen to the robin's song saying not to worry, ooh. So on and on I go, the second tick the time out, there's so much left to know, and I'm on the road to find out, ooh. Then I found myself alone, hoping someone would miss me. Thinking about my home, and the last woman to kiss me, kiss me. But some times you have to moan when nothing seems to suit yer, but nevertheless you know you're locked towards the future, ooh. So on and on you go, the seconds tick the time out. There's so much left to know, and I'm on the road to find out, ooh. The I found my head one day when I wasn't even trying, and here I have to say, 'cause there is no use in lying, lying. Yes the answer lies within, so why not take a look now, kick out the devil's sin, and pick up, pick up a good book now, ooh. Yes, the answer lies within, so why not take a look now, kick out the devil's sin, pick up, pick up a good book now, ooh. Yes the answer lies within, so why not take a look now kick out the devil's sin, and pick up, pick up a good book now, ooh.

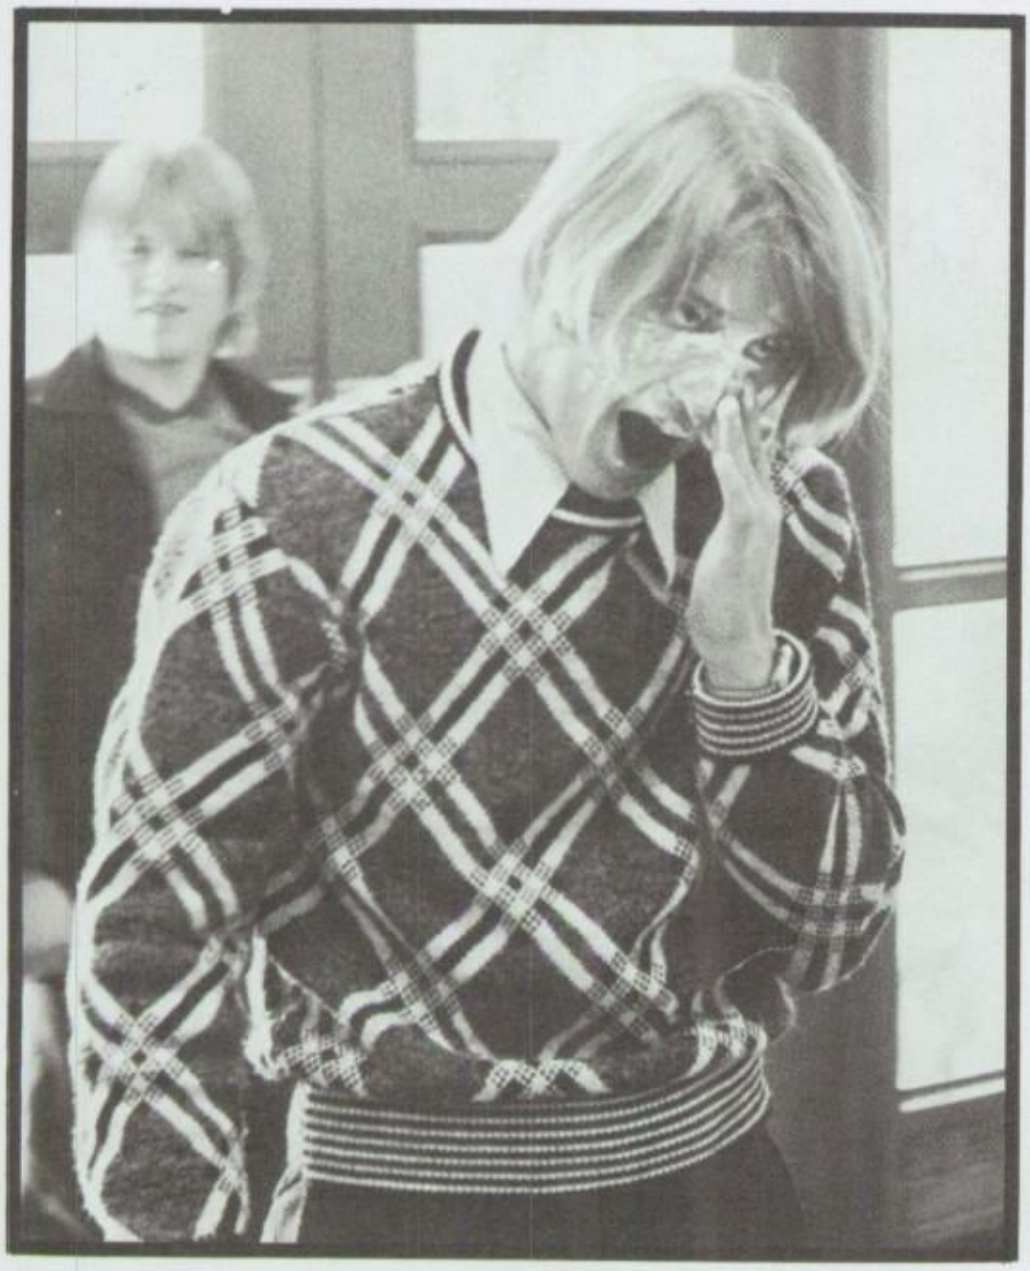
NO DAY IS OVER
IF IT MAKES A MEMORY



The events are over, yet they stay with us, as memories of the way we were--in 1975.

SENIOR SUPERLATIVES

Come, my friends.

'Tis not too late to seek a newer world.

Push off, and sitting well in order smite

The sounding furrows; for my purpose holds

To sail beyond the sunset, and the baths

Of all the western stars, until I die.

It may be that the gulfs will wash us down;

It may be we shall touch the Happy Isles,

And see the great Achilles, whom we knew.

Though much is taken, much abides; and though

We are not now that strength which in old days

Moved earth and heaven, that which we are, we are--

One equal temper of heroic hearts,

Made weak by time and fate, but strong in will

To strive, to seek, to find, and not to yield.

In the year of nineteen hundred seventy-five,
we watched the Seniors bring Wheat Ridge alive.
Someone once said being a Senior was a fate,
but, this class has proved that it's really great!
All through the year they've met new friends,
and now it's not long til their experience ends.
Into the future these brave souls proceed,
there is no doubt in my mind that they all will succeed.

DECA

The Distributive Education Clubs of America--otherwise known as DECA--are organizations whose programs of leadership, personal development, and career encouragement are designed specifically for students enrolled in Distributive Education. Distributive Education is a program of instruction which teaches marketing, merchandising, and management, and DECA is an integral part of this instructional program.

The three major purposes of DECA are:

1) To assist the State Associations in the growth and development of DECA.
2) To further develop education in marketing and distribution which will contribute to occupational competence.
3) To promote understanding and appreciation for the responsibilities of citizenship in our free, competitive enterprise system.

German Club

The purpose of the German Club is to foster interest in the German language and German culture. Most of the activities are social and any one interested in German is welcome in the Club. Some of the activities the German Club participated in this year included inter-language volley ball and soccer games, dinners, and tubing parties.

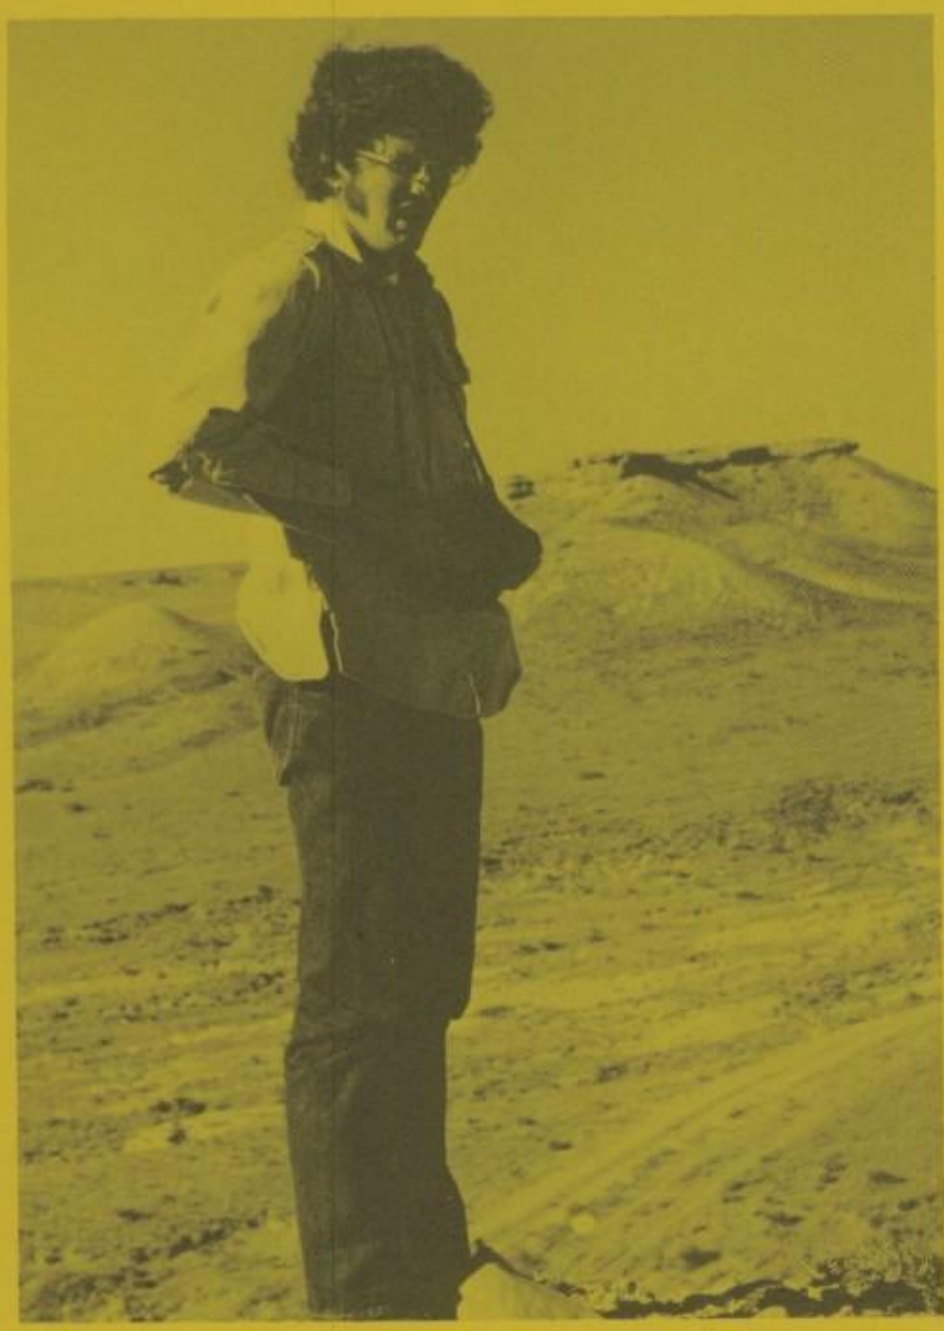
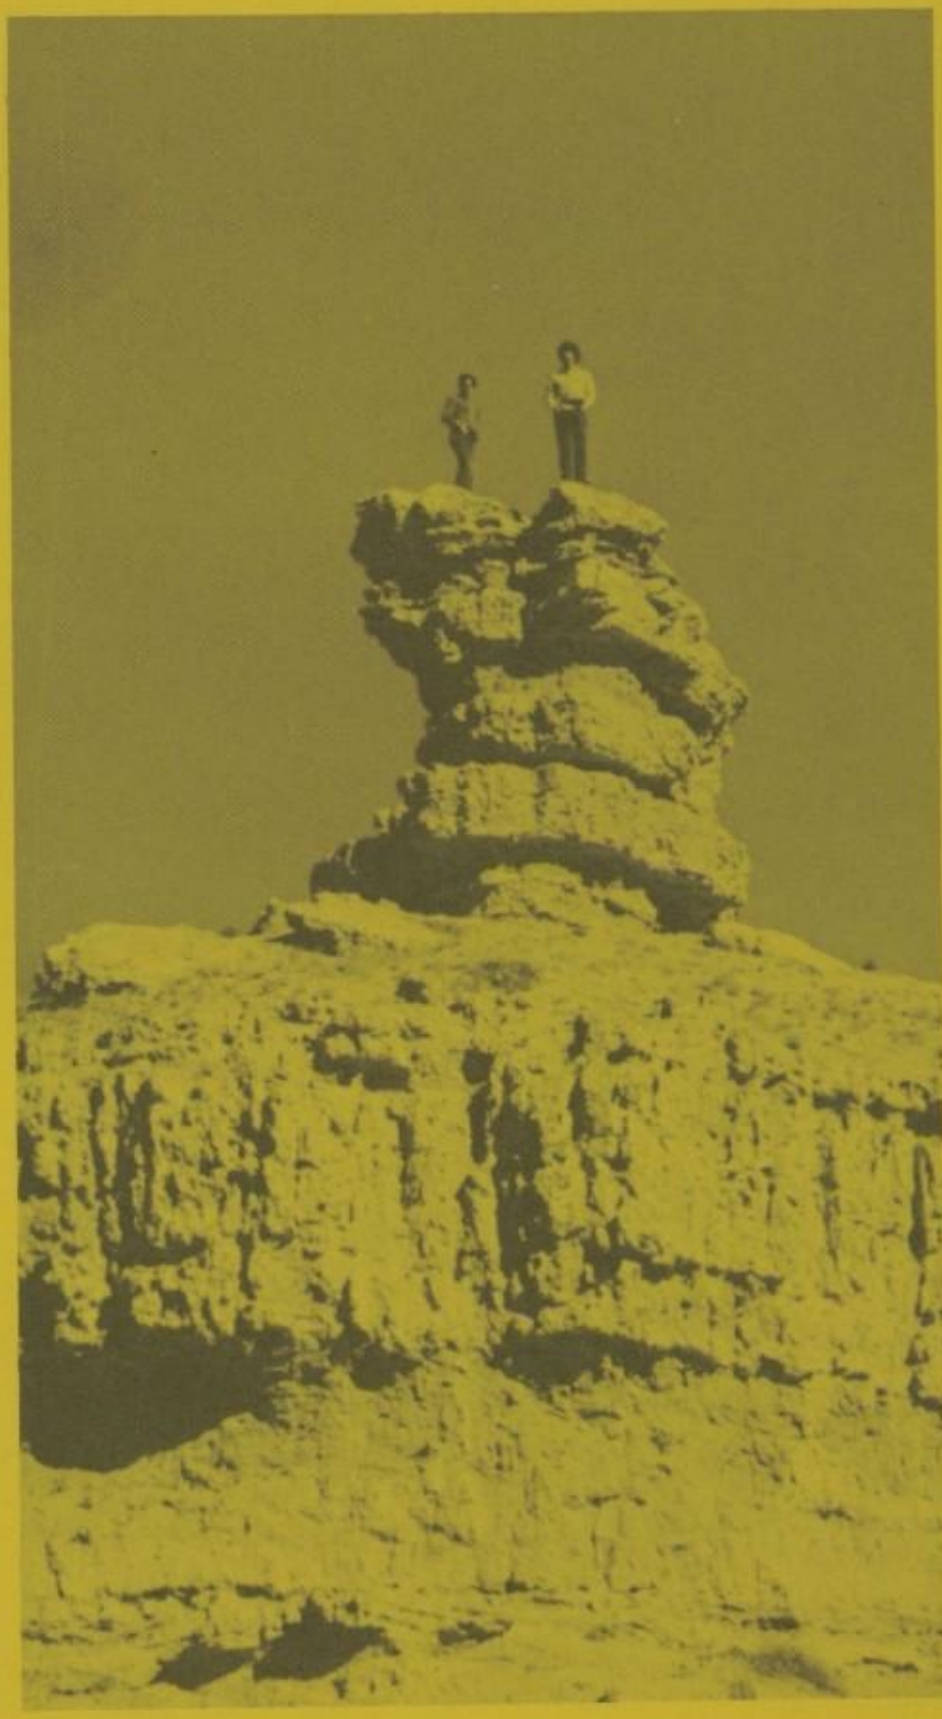
Key Club

Key Club is a selective boys organization that is involved in serving the community and school. Throughout each year it raises money for worthwhile charities and generally helps out. A few of their activities through the 1974-1975 year have been a pancake dinner, in February for Easter Seals, and several clean-ups of the school grounds in cooperation with Farmers Daughters. They also sold Christmas trees to raise money for the Kiwanis Club. Not all their efforts were always involving hard work, as they took time out to choose Terry Ipsen for their sweetheart.

Mountaineering Club





The purpose of this year's Mountaineering Club was to get students outdoors for various activities. These activities included snowshoeing in Rocky Mountain National Park, cross-country skiing, backpacking, and going on an Outward Bound ski trip. The sponsors for the club were Mr. Moore and Mr. Bolton. Ginna Herbert was the President.

Medical Careers

I will look upon him who shall have taught me this Art even as one of my parents. I will share my substance with him, and I will supply his necessities, if he be in need. I will regard his off-spring even as my own brethren, and I will teach them this Art, if they would learn it, without fee or covenant. I will impart this Art by precept, by lecture and by every mode of teaching, not only to my own sons but to the sons of him who has taught me, and to disciples bound by covenant and oath, according to the Law of Medicine.

The regimen I adopt shall be for the benefit of my patients according to my ability and judgement, and not for their hurt or for any wrong. I will give no deadly drug to any, though it be asked of me, nor will I counsel such, and especially I will not aid a woman to procure abortion.

Whatsoever house I enter, there will I go for the benefit of the sick, refraining from all wrongdoing or corruption, and especially from any act of seduction, of male or female, of bond or free. What soever things I see or hear concerning the life of men, in my attendance on the sick or even apart therefrom, which ought not to be noised abroad, I will keep silence thereon, counting such things to be as sacred secrets.

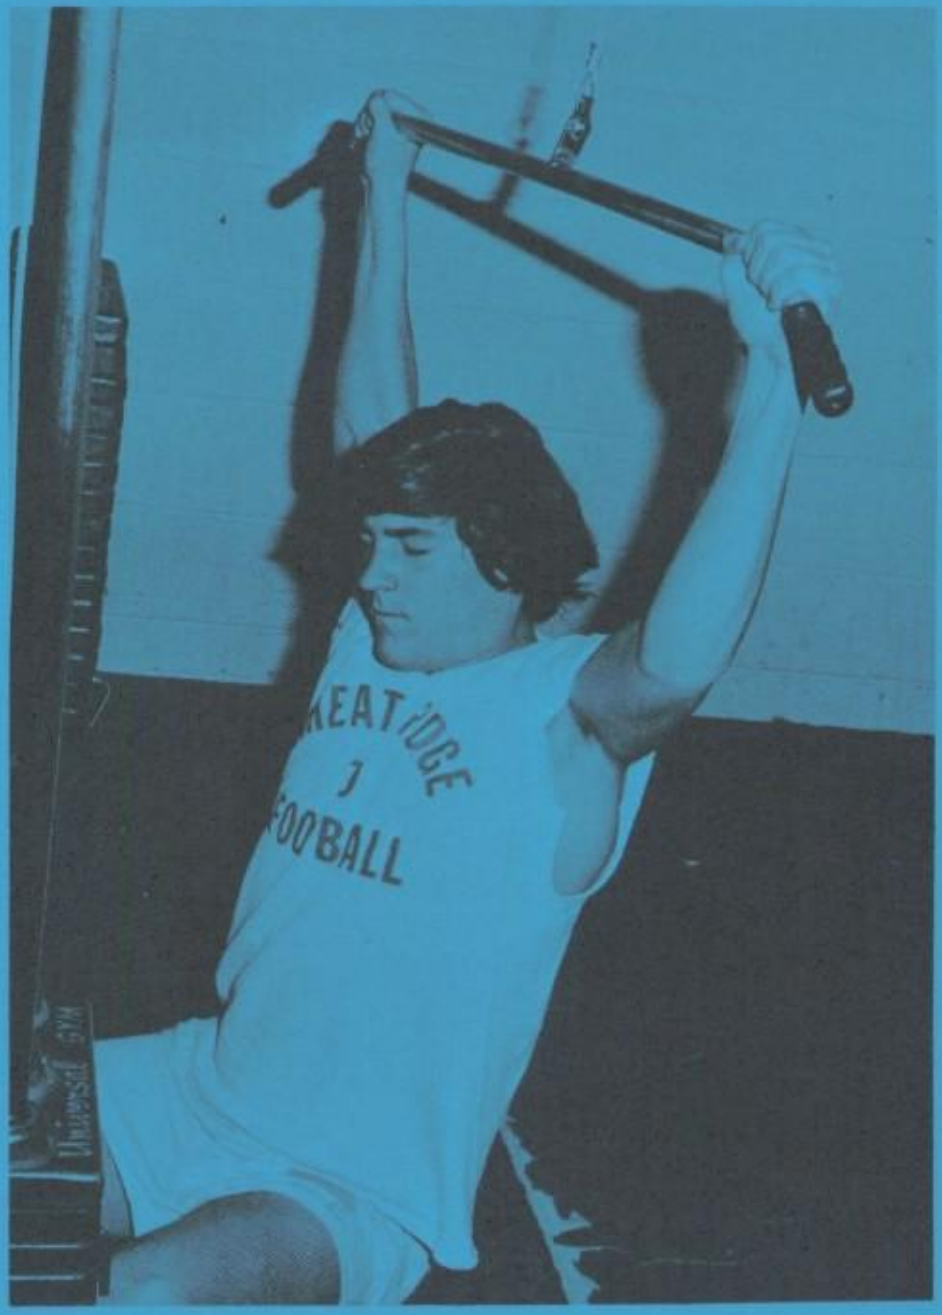
Physical Fitness Club

Physical Fitness Club made its first appearance at Wheat Ridge during 1974-1975 year. Boys, assisted by WRHS' fine coaching staff, met to work out together to maintain and improve their physical fitness.



Radio Club

Radio Club has a very small working force which is responsible for informational broadcasts to the student body during the lunch hours. After several years of experimentation, the Radio Club finally improved its "sound system." A realistic atmosphere in broadcasting. Club news, daily announcements and informal advertising are the major items of the broadcasts. This year's officers are President Roger May, Veep Mark Robertson, and Sec-Treasurer Vickers. Club members are: Randy Cumley, Allen Bryson, Jay Tourtel, Cathy Raftis, Arlan Nimrod, and John Nelson, with sponoor Mr. Ron Acol. Through the efforts and planning of these members, listening musical pleasure and communication via radio has become a reality to WRHS.

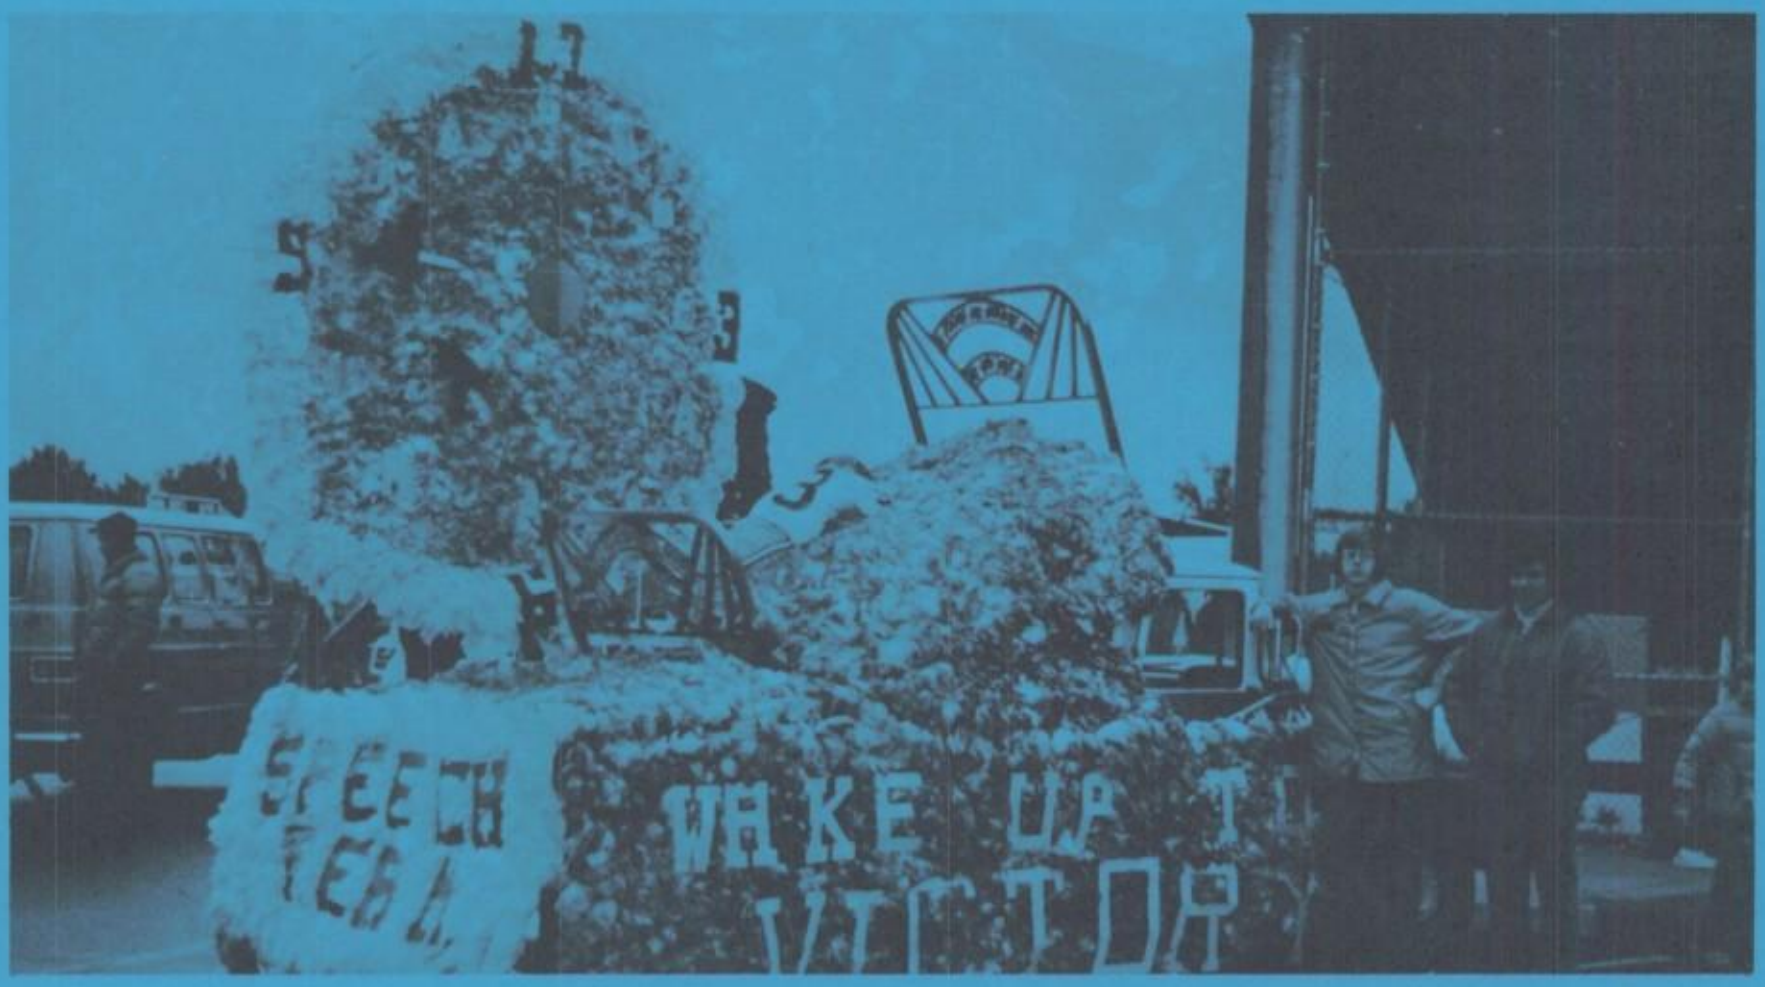
Speech Club

Numero Uno! At Last!

Over the past 3 years the WRHS Forensic and Competitive Speech program has grown considerably and established traditions for incoming Speech teams. Under the direction of Mr. Ron Acol, the team operates on a relatively long season which begins in mid October and continues through March. Competitive speaking offers a variety of speaking experiences for a student ranging from debate, extemporaneus speaking, original oratory, into interpretations of drama, poetry, and humor. Jeffer Jefferson County High schools have always partičipated in the interscholastic competition which usually includes 25-40 high schools and over 300 students at a tournament. The competitiveness between schools fosters enthusiasm, frustrations, and personal satisfactions to many that are involved. However, above all, competitive speech offers each student an educational experience in the Speech Arts, team cohesiveness, and pride in one's school.

Speech Club



B. The convention mechanism is important.

1. Conventions are essential to the party system.

David S. Broder, THE PARTY'S OVER, 1972, p. 228-9

"The national committees keep the parties functioning between conventions; occasional fund-raising dinners may bring together the party liminaries. But if it were not for the conventions every four years, which nominate the presidential candidates and write the party platforms, the parties might really disappear. For that reason alone, I am opposed to the recurrent suggestion that we nominate the presidential candidates through a pair of nationwide primaries."

WRHS Speech Team is an active participant in the forensic program. This year 50 students practiced late after school and in the evening in preparation for the 15 tournaments of the season. Much to the tradition of WRHS, the Speech Team became Jefferson County Champions during the tournament held in December.

Morning has Broken

9/28 9-12

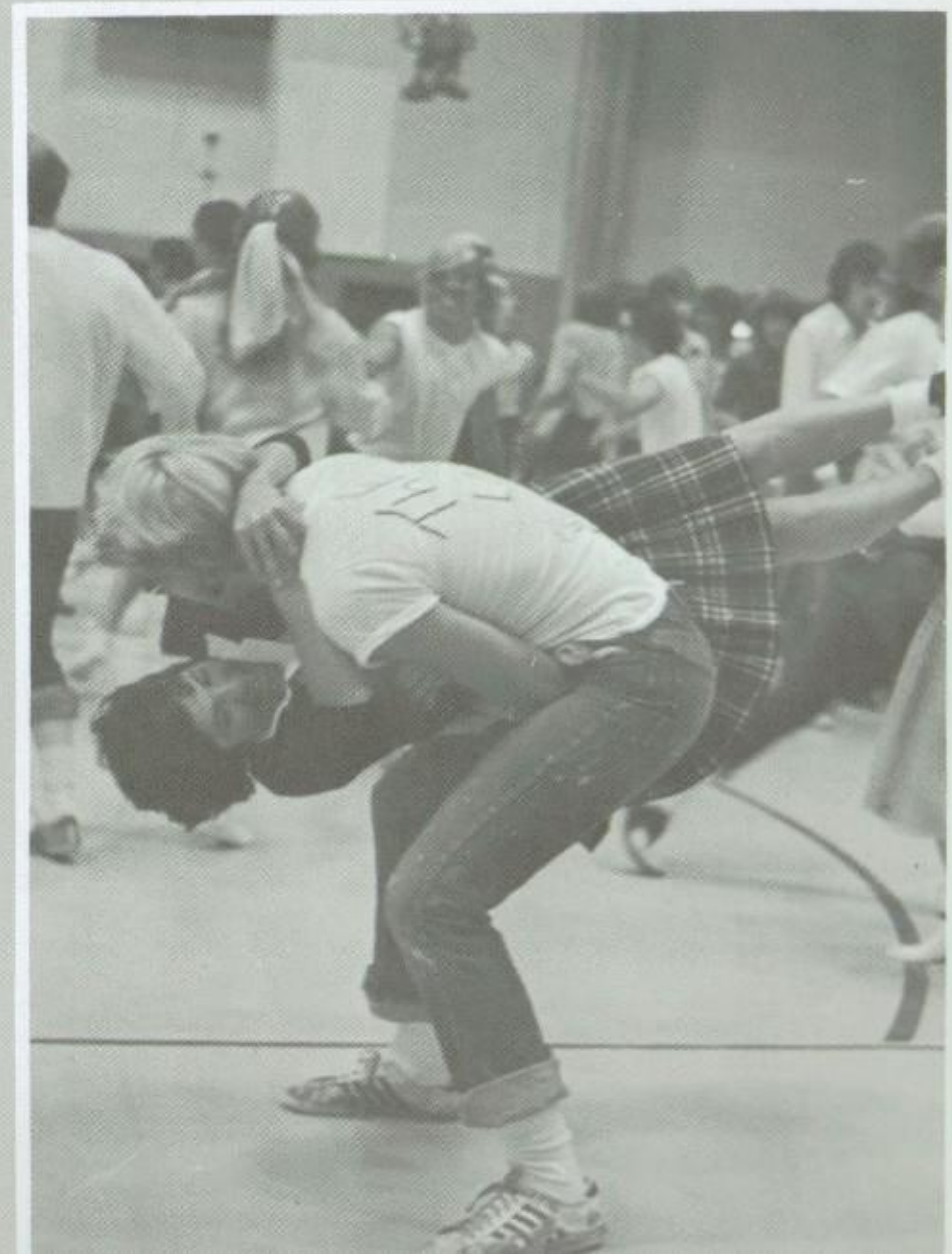
Hi, will you go to Homeoming with me?...Fantasc!"

Even though everyone ays it cool they're really ervous about the Saturday ight dance.

Maybe her shoes make er too tall for him, or his ed roses won't match her range dress. "Help, what hould I do?"

To help calm down the ervousness we celebrated y starting off with each lass showing their spirit in he hallways.

Next came 50's day wher he "Greasers" rode their notorcycles through the chool and the "bobby oxers" danced to Elvis.



MORNING HAS BROKEN

Dentists rejoiced at their business after "Lick 'em up" Day and everyone who was half crazy entered the hand-walking contest. As usual the Volkswagon was stuffed full of 27 wild students.

After a great week of fun in the sun, we celebrated our game, dripping wet. The floats we'd sweated over, we now just soggy crepe paper, but our spirits weren't dampened and we won our game.

At last the night of the dance. We smiled and laughed and had a great time but, at 12:00 "morning had broken" and it was time to return to reality.

The dance is long ago it seems, but the dried corsage and the happy memories shall never fade!

GIRLS AND BOYS STATE

L. to R. Elaine Weld, Lorraine Law, Mara Cerveny. Not Pictured Jan Shioji.

Early in June of 1974 the American Legion and the American Legion Auxiliary sponsored the annual Girls State at Colorado Womens College and Boys State at Colorado State University. The programs were concerned with the government at city, county, and state levels. Students attending the conference were exposed to political methods, party structures, and other various aspects of politics. The programs were also designed to develop, in the young citizen, a working knowledge of the structure of our government, and to impress upon them their government is what they make it. Students are involved in political simulations which are designed to enrich their over-all understanding and appreciation of our government system. The participants are usually sponsored by the auxiliary, schools, or businesses. Last year Wheat Ridge was represented at Girls State by Lorraine Law, Elaine Weld, Janet Shioji, and Mara Cerveny, and at Boys State by Brit Coupens, Paul Jurata, Jeff Cross, Mark Ehrhart, Dave Jorgensen, and Tom Gomez.

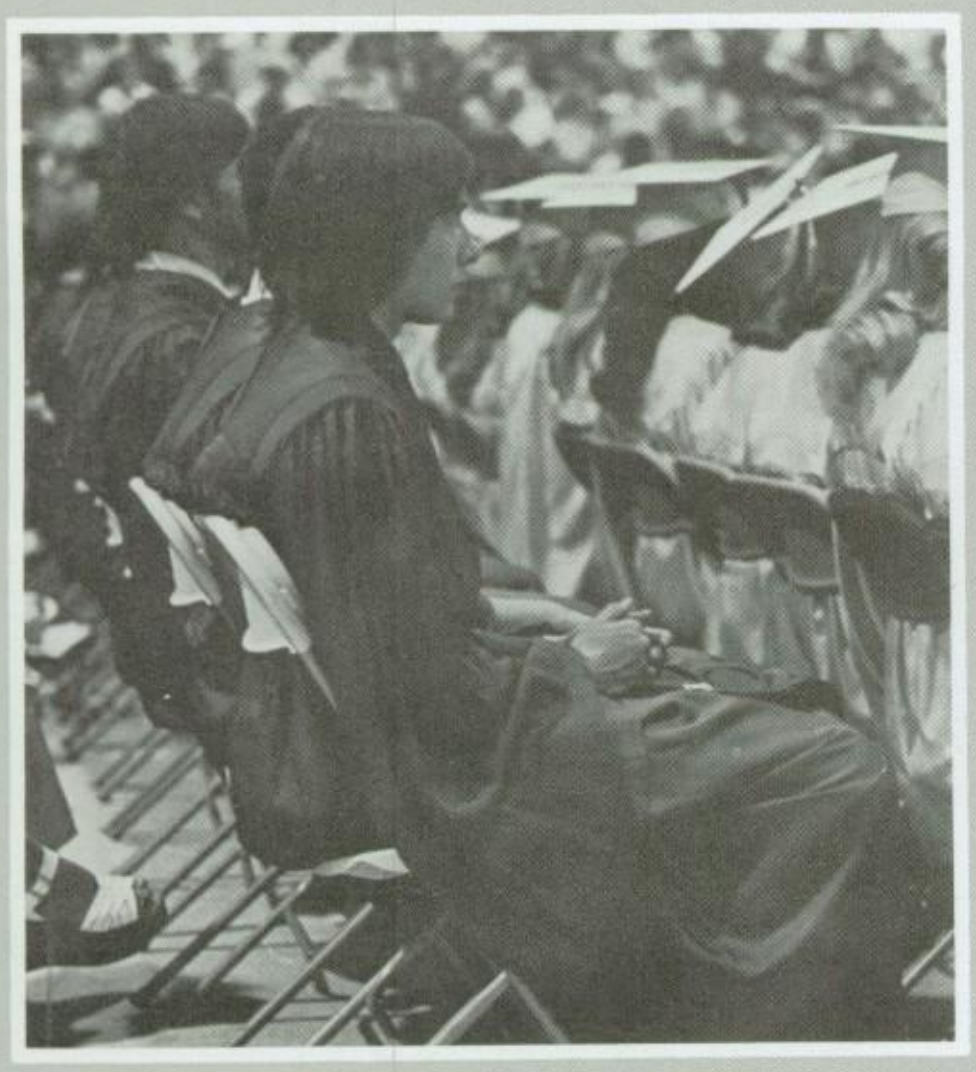
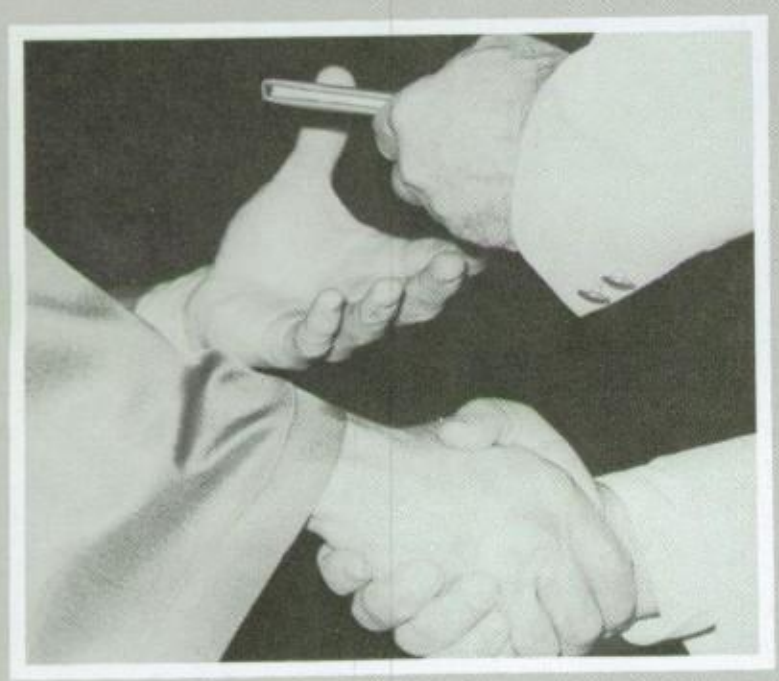
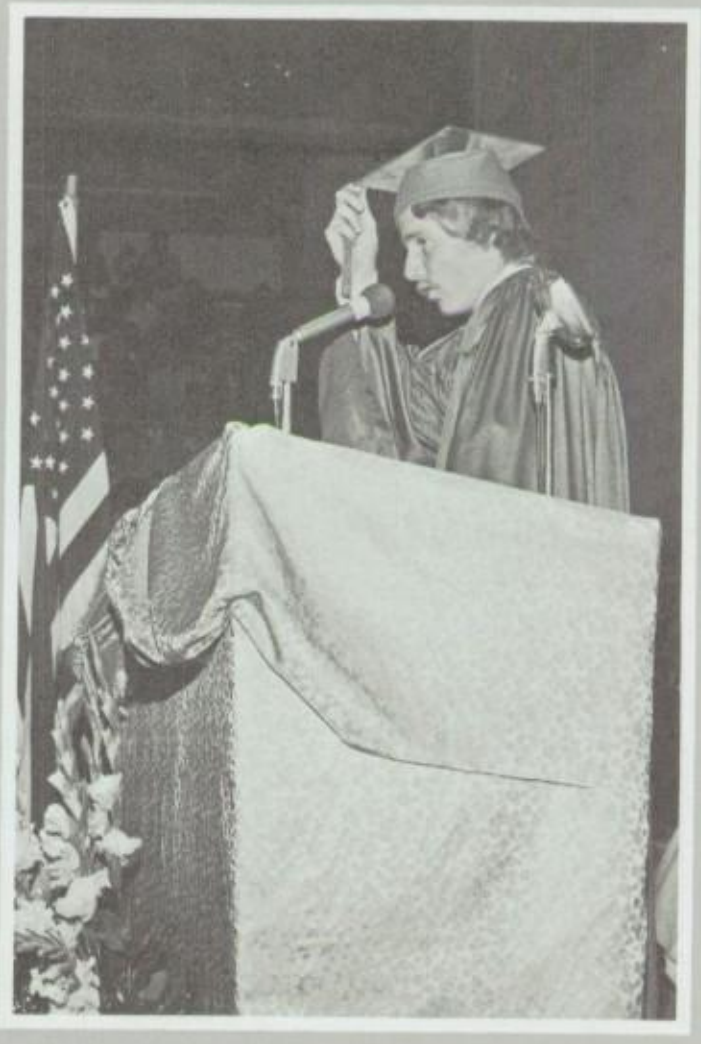
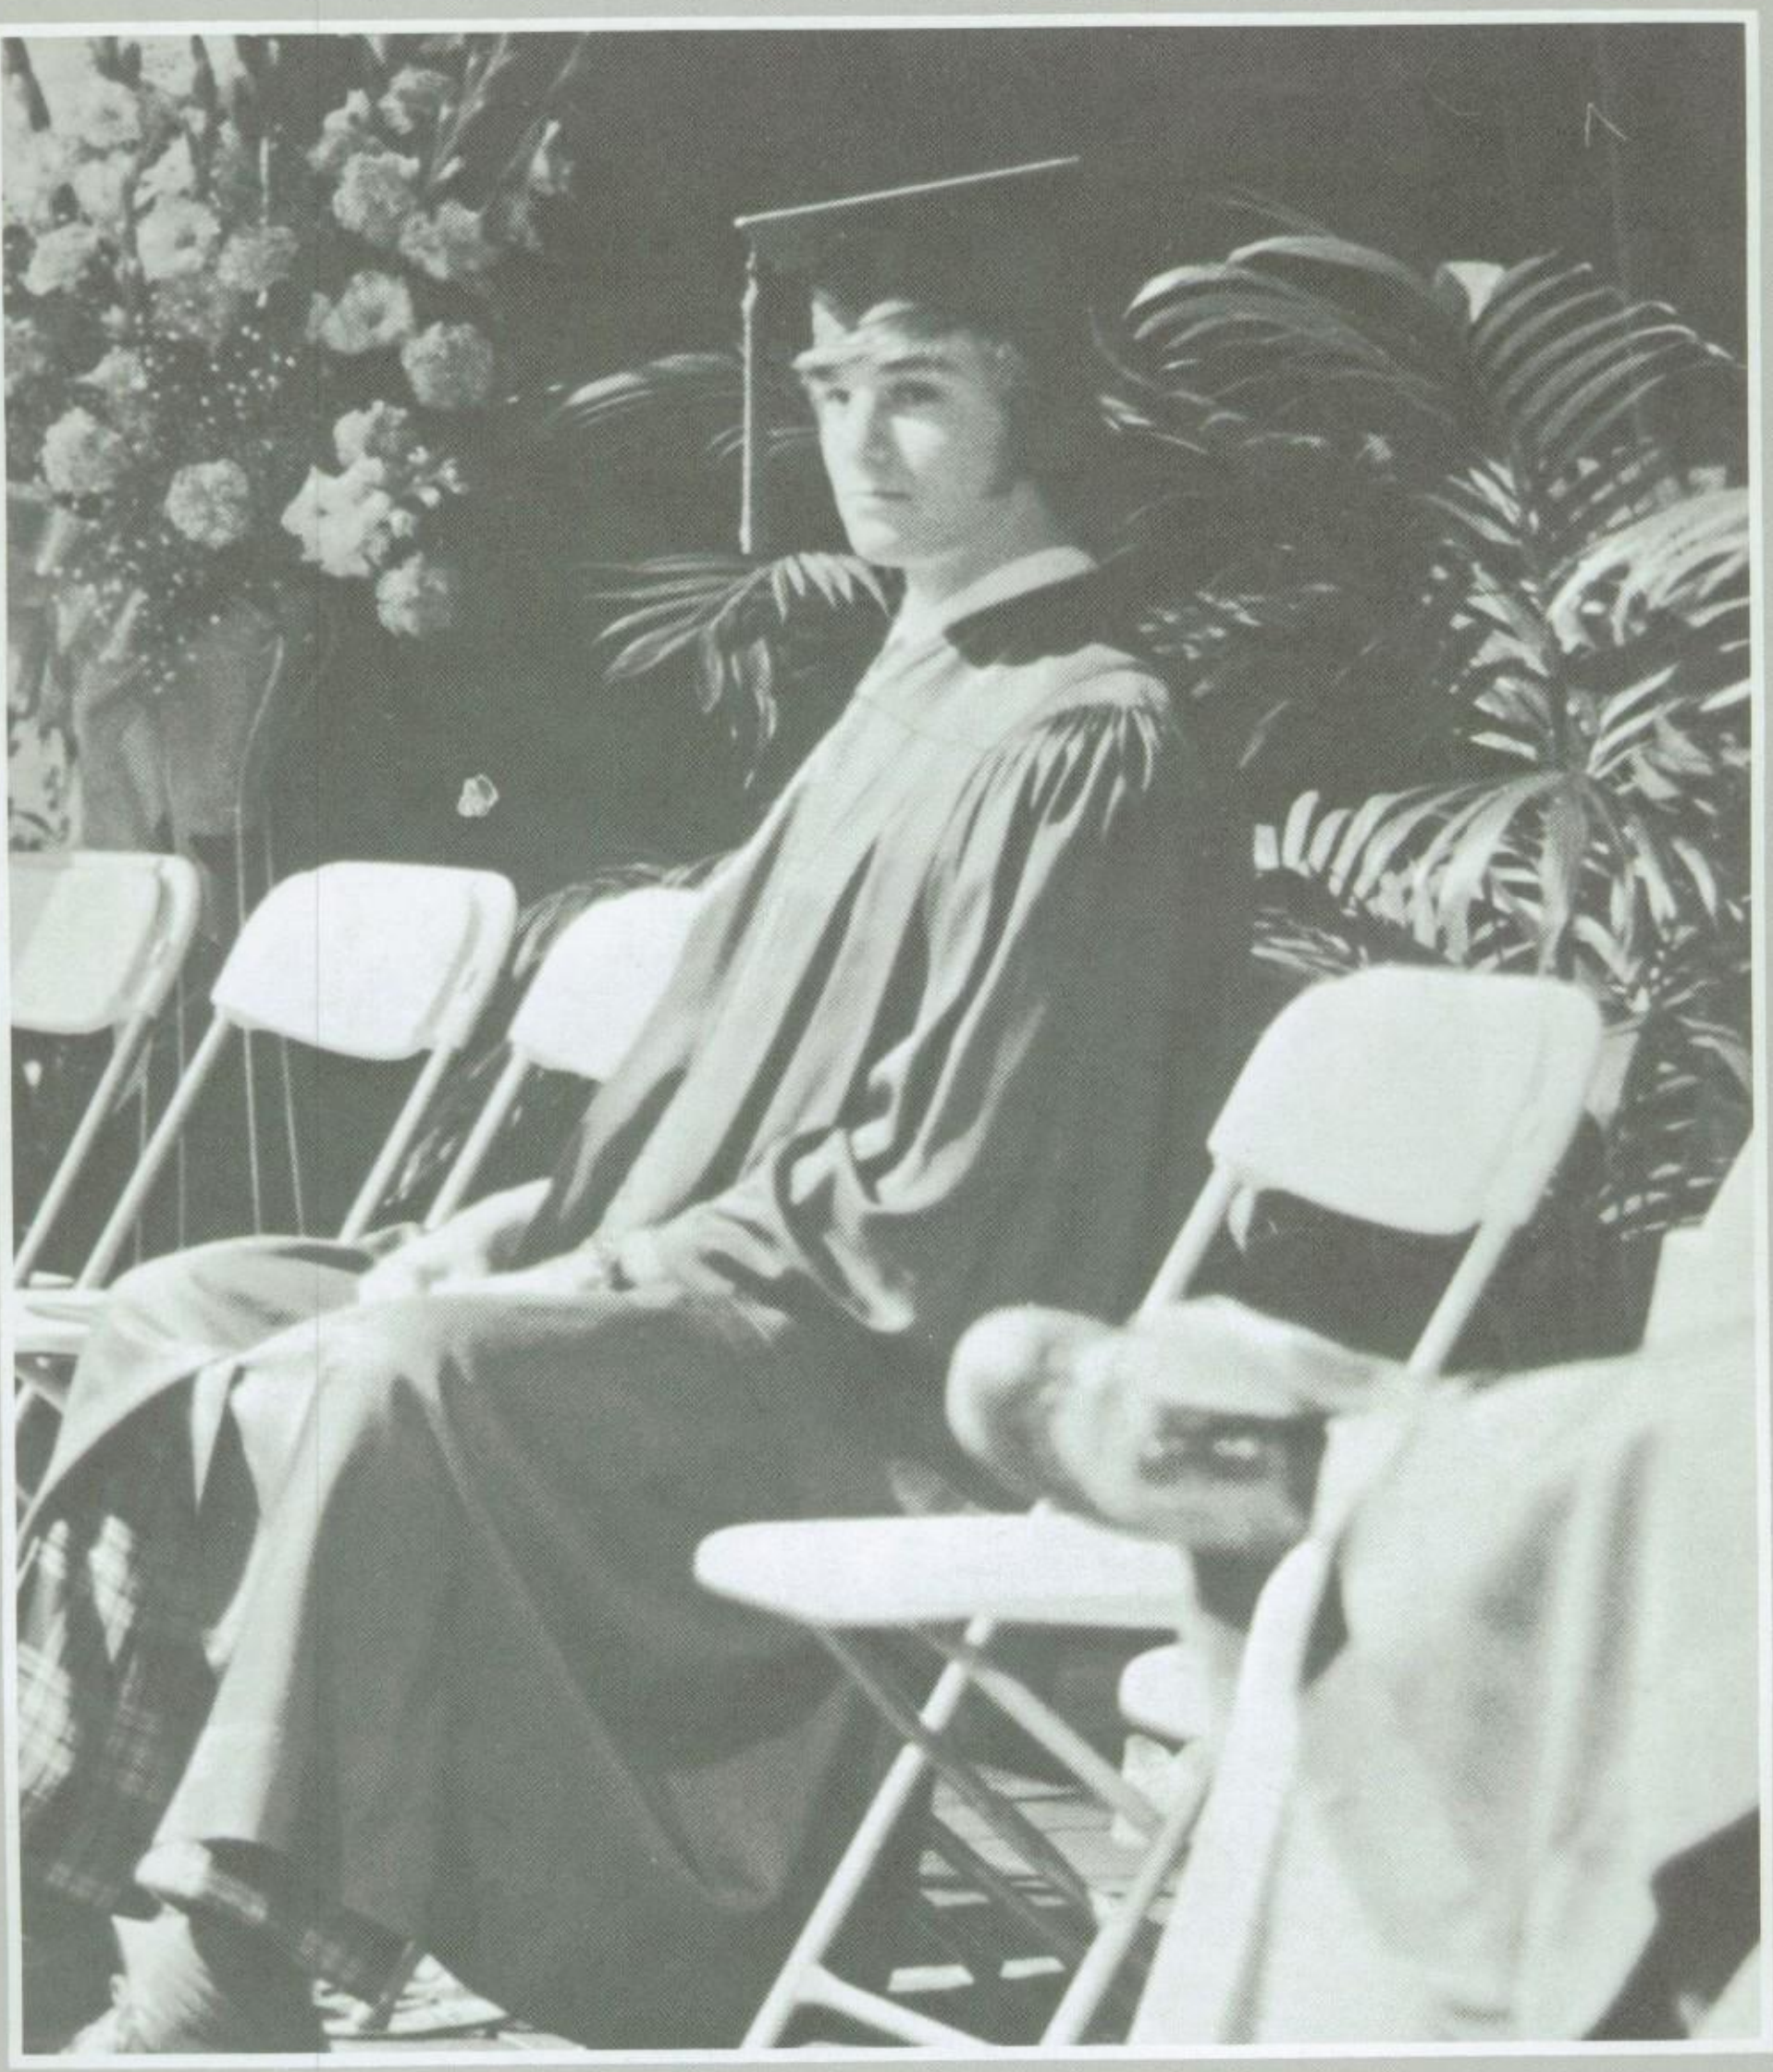
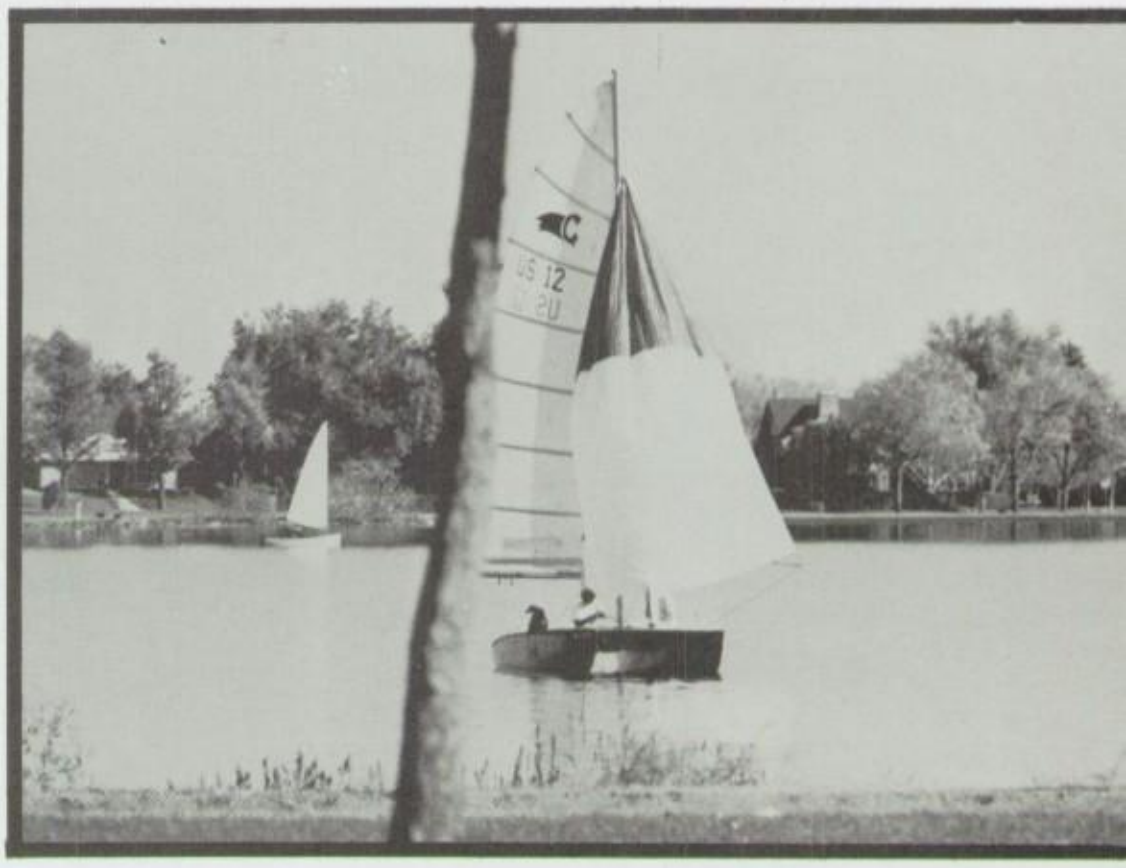
GRADUATION

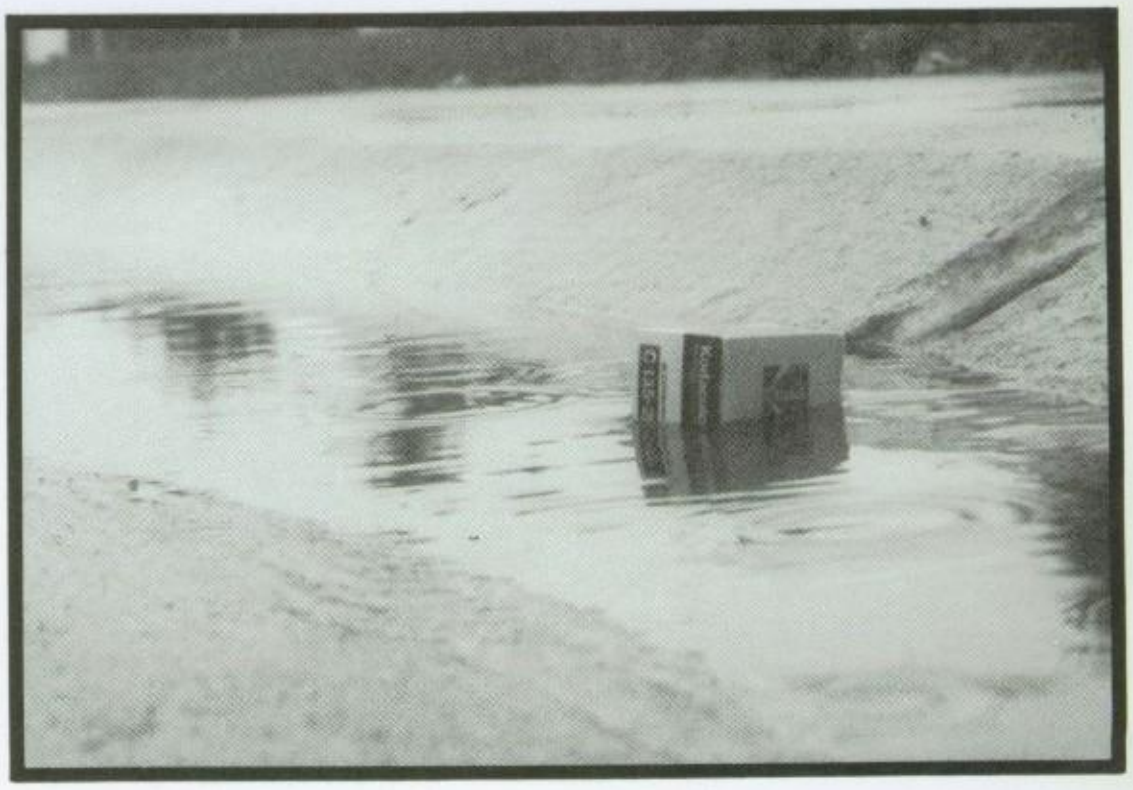












MY FRIENDS SAY THEY'LL COME AND SEE ME, BUT I KNOW THEY WON'T.
MY TEACHERS SAY COME BACK AND SEE THEM, BUT I KNOW I WON'T.
MAYBE LATER IT WON'T MATTER MUCH; BUT RIGHT NOW IT HURTS A LITTLE.
